## *What is the World Youth Parliament?*

The **World Youth Parliament** consists of creating a forum where young people, whatever their ideology, culture, or social condition might be, can come together to discuss issues that concern them and manifest their conclusion in such a way that their voice may be heard worldwide.

The first world plenary session took place in Rome, June 26-29, 2009. **The next International Plenary Session of the World Youth Parliament will take place August 11<sup>th</sup> and 12<sup>th</sup> (at St. John's University) and August 13<sup>th</sup> (at the Headquarters of the United Nations).** As a participant in our working group, which meets regularly in preparation for the plenary session in August, you are invited to participate in the plenary session.
